

Non-Executive Director – Little Thinkers

The Thinking Schools Academy Trust seeks a Non-Executive Director with experience in Early Years management or has demonstrable knowledge at a business executive, senior finance or senior HR level to join the Board of Directors.

This is a voluntary role.

About the Trust

Little Thinkers is a subsidiary nursery provision of Thinking Schools Academy Trust (TSAT). Little Thinkers nurseries pride themselves on being a 'Thinking' nursery that provide children with wonderful experiences that promote development. Their 'curiosity' curriculum is panned by experienced teachers and practitioners who understand the next stage of education and are committed to laying the very best foundations during the early years for their all-through thinking journey. Little Thinkers settings offer children a selection of natural, real objects as well as modern resources which encourage curiosity and eagerness to explore and create. Little Thinkers nursery provisions are currently located in Paignton and Portsmouth. We would ideally like our new Non-Executive Director to be a commutable distance from one of these locations for meeting attendance and provision visits. Plans for the future

The key challenges for the board over the next 12 months are:

- Sustain a high-level of education and deliver the nursery vision through a period of financial turbulence across the country.
- Ensure the provisions are transforming the life chances of all children whilst adapting operational models and growing in size.
- Evolve and grow the number of nursery provisions throughout the regions we currently serve.

Role – Trustee/Non-Executive Director
